Mmn... Morning already?
Some-thing's pressing down on me...
Again...
Sheesh.. When did she even...
I told her to sleep in her own bed!
mmn
Morning, Itsuki.
Don't you have to get up early today? You should get ready, Nina.
My life has changed a lot these last few months.

Myty!
I'm going out with someone now, but...
Breakfast looks yummy.
You're in the way!

Yes?
There's something I don't get about these documents...
Let me take a look.
...so it'll be fine if you change that entry.
Thank you very much!
Please go over this as well!
Sure.
should I really continue with this relationship?
Um, Kimekowa...
Hm?
Did something good happen to you recently, Kimekowo?
It's like you've opened up.
You used to be pretty scary.
You're being rude, Mai!
Really? I don't think I have...
Really! You're a lot nicer now!
Did something happen? Could it be a boyfriend?
Stop it, Mai!
Please go back to work.
A boyfriend, huh?

It's actually a girlfriend, though...

I'm tired today, Nina...
Cut it aut. Dan't yau have ta get up early ta-marraw?
It's your fault for being so cute, Itsuki.
Simply seeing you, makes me want ta do it.
Yau're saying thase embar-rassing lines again...

This way we can both feel good at the same time.

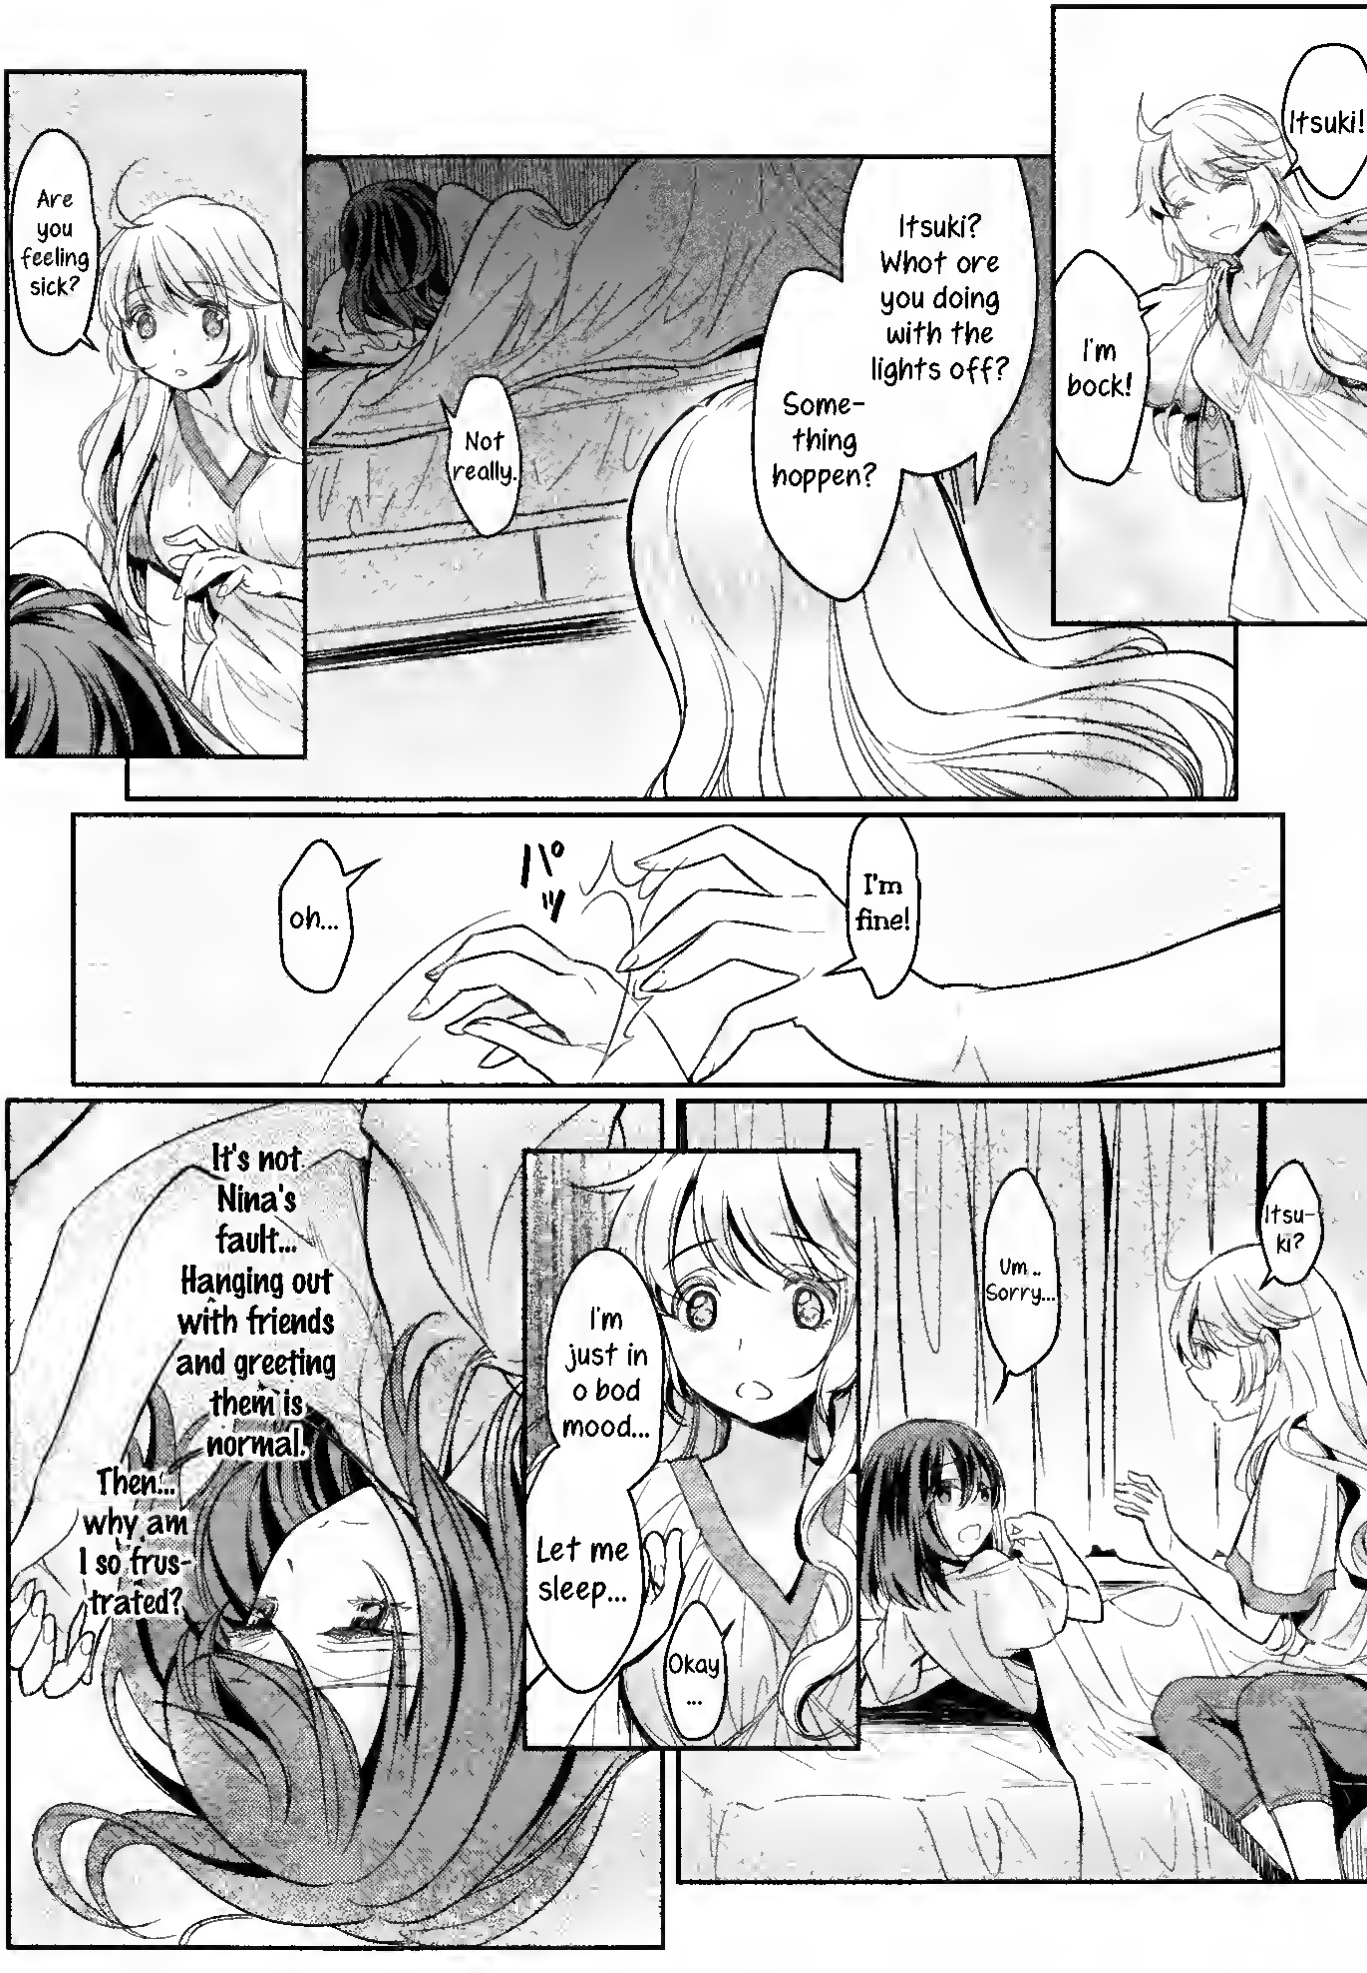
Where did you learn these things from?

I want to see more of your lewd body...
Noo... ahn!
Ah... I'm... cum-ming...
ahhh! Nina!
She's sleeping here again...
That bed we bought is going to waste...
She's dragging me into her pace every time.
This won't do. I'm the older one here.

Nina's young and pretty. I'm sure there'll be other encounters for her. It's not good for her to just be looking at me...!
Is this really okay? I don't know how long this childhood love can last.
Haven't worked outside in a while...
Isn't Nina's university around here?
Maybe we can eat outside together.
After finishing this area I can go home!
What am I thinking?
It'd bother her if I just called out to her.
I should head home and rest-
Hm?

Even if it was close, for us to meet like this...
Nina?
Idiot. She's with her friends! What would I say to them?
Oh...
I'll call out...
They're happily chat-ting...
and they're all sparkling with youth...

Oh, one more...
But it seems like she's popular in school. I'm glad.
What am I freaking out for? Nina greets people like that all the time.
Yeah, right.
What.
Whaaat?
But I do worry about her thinking it's okay to kiss anybody as long as it's a girl.
...sheesh...
...Why am I so bothered about it?



Itsuki!
I'm back!
Itsuki? What are you doing with the lights off?
Something happen?
Not really.
Are you feeling sick?
I'm fine!
oh...
Itsuki?
Um.. Sorry...
I'm just in a bad mood...
Let me sleep...
Okay...
It's not Nina's fault... Hanging out with friends and greeting them is normal!
Then... why am I so frustrated?

I hate myself.
Hm?
A mixer with workers from a client company?
Yes! Please join us!
There's not many women in aur campany.
Kime-kawa's cute sa you'll be popu-lar!
Hm...
Really? Guess yau can't come, then.
Oh, but dan't yau have a bay-friend?
It's fine.
I dan't have a bay-friend.
Hooray!
You'll have to dress up before we go.
We should go try some clothes on today!
There's some brands I've wanted you to try!
This is why I wanted to keep my dis-tance...
Oh, Kime-kawa! Over here!
Dining BAR

I told Nina I had to stay late for work.
Sorry, Nina...
Those clothes are perfect for you... I got what I came for.
You're simply adorable, Kime-kawa! Super cute!
I don't want to let those guys have you!
Mixers... I went to one with a friend in my college days,
but all I did was put out an "I'm not interested" aura...
I wanna go home...
So tiring.
Got any hob-bies?
...I read a lot...
I drank too much.
You okay, Kime-kawa?
Can you keep going? It's okay if you want to go home.
No thank you, I'm fine.
I'll take you home.

Huh?
Itsuki?
Nina !?
Why is she here!?
DIDN'T YOU SAY YOU WERE WORK-ING?
You're friends with Kime-kawa?
A for-eigner? So pretty!
Oh...
Um... She's... just... a relative's kid...
My niece...
Really? Doesn't look like it!
Mixed blood?

Thank you far always taking care af my aunt.
gya hhh
She seems quite drunk, so I'll corry her home now. Goodbye.
S-Scary!
Waw! She's reolly carrying her home!
Let me down!
Wait!
And she's halding dawn her skirt at the some time!
Care to ex-plain?
Um... If you ask me... my cowork-ers osked me out...
I've never been invited befare, and it was a gaad chance, and I thought just once was okay...
Even sa, isn't it wrang ta attend a mixer while yau have a laver?
You call us lovers, but-

I don't have any confidence in continuing this relationship!
I saw you kissing a friend outside...
But still, I get jealous!
You said you love me, Nina, but that was for the me from ten years ago!
I'm worried!
If you knew how I am now, I'm sure you'd get over me!
Oh... you don't like that? I'll stop...
And when the mixer came up, I-
I know it's just a greeting, but it frustrates me so much!
I thought it'd be okay because we used to get along.
I was just so lonely... And you come all the way to Japan just for me. I was afraid of ruining the mood if I turned you down...
I went out with you, but not for love!
No! I don't have any right to ask you to do that!
I'm sorry... You were serious about it. I'm the worst...

Why would you get jealous over someone you didn't like?
But isn't it odd?
Huh?
That's right.
Huh? That's...
ah!!
Do you feel your heart pound-ing?
トクン

Why? Because she's my niece?
Huh... Why?

Your heart starts pounding when I hug you.
Of course it's love.
Nina...
Jeez... You're really slow when it comes to yourself, Itsuki.
Your clothes are super cute today.
R-Really?
To think that I'm not the first one to see this
makes me mad!
You're touching too much!
But I'm the only one who gets to see what's underneath!

So everything you're wearing is new, right?
That's right...
To think you'd be serious about the mixer...
I bought it along with my clothes!
Something wrong with it?
A matching set of underwear? So cute!
Hey, Itsuki.
Hm?
Okay.
I'll forgive you now.
That's it?
You're right. I first fell for you ten years ago.
But meeting you again made me love you even more.
I want to know even more about you from now on. Don't worry.

Nina...
She didn't change.
It was just me overthinking it...

Sorry, for not believing in you before.
Itsuki...
You're always doing it for me.
So now, it's my turn...

No,
my body's just react-ing to your fingers.
I'm not as skilled as you are...
so tell me if it doesn't feel good.
ah!
It's the first time you've been so proactive about it, Itsuki...
Really?
Sorry... I've been so-
If you want to apolo-gize,

Na... I'm nat prepared far that...
I'll have to apologize to Yukiko...
But I'm a little happy about it...
